

Fireworks Safety Tips

Use Fireworks Responsibly!

- ✓ Use fireworks outdoors in a safe area away from dry grass and outbuildings, fields, forests and buildings.
- ✓ Carefully follow directions and always have adult supervision.
- ✓ Light one firework at a time and move away quickly!
- ✓ Never point or throw fireworks at people or animals.
- ✓ Keep a bucket of water, wet towels and a garden hose nearby.
- ✓ Discard used fireworks.

Outdoor Fire Safety Tips

- ✓ Be aware when grilling on wooden decks or in grass.
- ✓ Keep water handy in case of fire.
- ✓ Build campfires in open, level spots away from trees and overhanging branches.
- ✓ Never leave a campfire unattended. Extinguish your fire completely!
- ✓ Dispose of smoking materials properly.
- ✓ Avoid parking vehicles in dry grass when the hot pollution control equipment could come into contact with dry vegetation.
